LEAGUE ORGANIZATION & HOME RULES

All coaches are strongly encouraged to read and understand the official Little League rules. Any rule presented here either supersedes or amplifies the official Little League rule.

MAJOR LEAGUE

1. Each team will consist of a maximum of 12 or a minimum of 11 players.
2. All twelve year olds, up to a maximum of eight per team must be on a major league roster.
3. When the roster falls to 11 players, the manager will select a replacement from the reserve list or Minor A League rosters supplied by the Player Agent (this player may be a Minor League coach's child and play both for both leagues). A replacement player will be required if a permanent player will be out at least three weeks. For clarification purposes, if a permanent player will miss the final 3 weeks of the season (including playoffs), a replacement player will not be required.
4. A replacement player will become a permanent member of a team if he is on the team's roster at the end of the season.
5. Late sign ups after tryouts have taken place will be put on a reserve list and will be assigned to teams as positions become available as stated above in number two.
6. A child registered but who misses tryouts will be rated by coaches prior to the draft.
7. Safety rules will be obeyed at all times which include players and coaches staying within the dugouts during the game, **base coaches within designated area**, the wearing of helmets and **chin straps** while at bat, on base, and while coaching the bases.
8. There will be no on-deck batters.
9. Each team's batting order will include all players in attendance and each player must play a minimum of 6 outs in the field (not necessarily consecutive outs).
10. Sliding permitted - no head first slides except when returning to a base. Runners must slide into each base (except first base) whenever the defense is attempting to put them out. Failure to slide may result in the runner being called out by the umpire.
11. Throwing bat after making contact with ball - 1st time (warning), 2nd time (automatic out, the ball is dead and no runners may advance).

12. Forfeit: Within 15 minutes after the scheduled start time, a team must have 7 players to take the field otherwise they must forfeit the game. On days where multiple games are to be played at the same field, the 15-minute time period will begin at the end of the preceding game. The opposing team may use full roster.
13. Ending or suspending a game due to darkness or lightning:
- No inning may start after 7:50 P.M. in May/ 8:15 P.M. in June (McCloy & Green Field)
 - Parisi Field: On evenings when 2 games are scheduled, the first game must end no later than 7:45 PM. The second game must end no later than 9:45 PM.
 - The umpire at the first sign of lightning calls the game.
14. Inappropriate language will not be tolerated. Either an umpire or a coach will remove the responsible player from the game and his parents will be notified.
15. Any player or coach punching or fighting will be removed from the game and suspended from the next game. Parents will be notified in the case of the player. A coach's behavior will be subject to review by the Board of Directors.
16. Any player caught spitting in his hands prior to the obligatory handshake will be suspended for the following game.
17. There will be no pinch runners unless a player is injured or the runner is a catcher and there are two outs. This is only permitted when the catcher is returning to that position with opponent's next at bat. **The player making the last out is the pinch runner.**
- 18. All coaches must be Cori-approved.**
19. The umpire will use his/her discretion to call for the removal of a wild pitcher.
20. Male catchers must wear an athletic protective cup (metal, fiber, or plastic type) and a long-model chest protector at all times when catching. Failure of a team to field a catcher with a protective cup will result in a forfeit.
